Congratulations to May Drinkell and Stewart Brown both of whom received their Headmaster's Commendation certificates this week.

Golds – Winners of the week This week the junior winner was Jasper Bird with 26 golds and in the seniors Mitchell Johnston was top with 17. Well done to these children.

PTFA News – On Monday of next week the PTFA will be holding their first meeting of the new year. It starts at 7.30pm in the hall and all are very welcome. There are also many cake tins which were left here following events at the end of last term. If you think one of them might be yours, they can be found in the room next to the music practice room. Those not collected will be disposed of next week!

Year 5 Assembly – Our theme for assemblies this week has been kindness and Year 5 rounded it off in style this morning. Their story focused on the golden rule to treat others as you would like to be treated. They told the story of 'the grumpy headteacher' who was horrid to all of his staff. Eventually he was taught a lesson by his wife and he learned that being kind to others is extremely important.

Link with the UEA – Following a meeting at the University of East Anglia yesterday, the school will be taking part in a project organised with the Business School. Four MBA students will be looking at the marketing strategy of the school. They will be visiting the school during the next few weeks to get a feel for the place and hope to get some views from both pupils and parents. Their work will in no way interfere with the normal running of the school. This should be a really interesting and exciting project for the school to be involved in and we hope that everybody will feel able to be part of it.

Football Next Week – There is an Under 11 Football match against the Abbey next Friday. The match will be played here and start at 2.15pm.
