Golds – Winners of the week! – As well as the termly 'Golds' competition, starting this week, we will publish the names of the junior and senior children who achieve the most 'golds' during the week. This week the junior winner was Theo Bird with 19 golds and in the seniors Scarlett Baxter and Lily Goodenough both achieved 11. Well done to these children.

Community Noticeboard – Do you have an item to sell, a forthcoming event to advertise or even a club or activity that needs new members? If so, please make use of the PTFA Community Noticeboard to promote your message to the TOSH community. Rates start from as low as 30p per week for a business card size advert to £2 a week for A4 size. For further information, please see the noticeboard or Mrs Mills.

Year 2 Trip to Lowestoft Beach – On Tuesday Y2 enjoyed a wonderful day at the beach, with blue skies and a stiff breeze just right for kite-flying! We spent the morning at the Heritage Quay, where we were shown round the old fishing trawler, Mincarolo and the Lowestoft lifeboat. The children were invited to try out the clothing and equipment used by the crew. As a bonus, we also saw a "tall ship" from the Netherlands. We watched in amazement as one of the crew climbed the rigging,

shinning to the very top of the mast to repair the navigation light! Later, we were delighted to see the ship hoisting its sails as it set out to sea. After a very quiet lunch in Captain Nemo's, (well done Year 2), we went onto the beach where we played in the sand and flew the kites, which we had made at school on Monday. It was a lovely day, made all the more pleasant by the well behaved children - thank you Year 2. Thanks too, to Mr Scott for reserving lunch tables at Nemo's for us, and to Mr Lincoln for his help– especially with the kite-flying!

Pat Suffolk.

(Donations were given to both the "Mincarolo" and Lowestoft lifeboat, in appreciation of their work, time and effort.)

Parents' Handbook – The new version of this has been issued today by email. Please do read it and refer to it in the future if you are unsure about anything. If you would like a paper copy, please speak to Mrs Mills in the office.

Packed Lunches – we have been very pleased to see such a positive response to the ideas of healthier snacks and packed lunches. Looking around at lunchtimes there has been a noticeable increase in the amount of fruit on individual's plates and less wasteful packaging to throw away. I do hope that parents and children will continue to try to make our snack-times and lunchtimes both healthy and 'green'! Please also continue to watch out for nuts. It really is most important that we are completely 'nut-free'

Lunch and After-school Club Bills – please could these bills be paid into the office by Monday at the latest. Thank you.
