

**Letters issued this week :** PTFA Bingo evening

**The menu for next week is:**

Monday	Jacket Potatoes with various fillings
Tuesday	Chicken Casserole
Wednesday	Cottage Pie
Thursday	Lasagne
Friday	Chicken Goujons, Potatoes and Baked Beans

**Congratulations to** Clara Watson-Flowers, Finney Harrod and Theo Bird who all received Headmaster's Commendation certificate this week.

**Golds – Winners of the week** This week the junior winner was Sonny Dakin-Butler with 24 golds and in the seniors Toby Hillier was top with 26. Well done to these children.

**Candlemas** – This morning's Candlemas service was held in the school hall because of the extremely cold conditions in the church. The Revd. Payne led the service at which representatives from each of the classes lit candles to symbolise Jesus coming as light of the world. Mr Payne told us how a snowdrop, thrusting its way through the snow-covered ground, also symbolises the coming of spring and reminds us that there is much to look forward to, even on a morning as cold as this.

**Open Day** – We would like to start advertising our Open Day on 9<sup>th</sup> March, straight after the half term holiday and I know that several parents have in the past put up posters. If you are able to do so again, they will be available from the office on the first Monday back. Also, please do mention it to anybody who you think might be interested.

**MBA Students** – We were visited on Monday by our team from the Norwich Business School. They have begun their project and would be very grateful for input from parents. Early next week we will be sending out log-on details for an online survey. It would be very helpful for everyone involved if as many parents as possible would please complete the survey. It shouldn't take very long and the data gathered will be very useful.

**Year Six Technology** – The picture shows some of the Year Six technology class putting the finishing touches to their latest project. The brief was to design and build a machine to drop a steel ball onto the floor just exactly 10 seconds after letting go. There are several ingenious solutions to this problem emerging and it is hoped that the finished projects will be ready to demonstrate next week.

**Netball** – Today's netball at The Abbey has had to be postponed. It will now take place on Friday 2<sup>nd</sup> March at 2.15pm.

**Next Week** - Wednesday - Cross Country at Langley Prep School  
 Friday - Half Term Begins  
 Reports Issued
